

## International GIAN Course on

# Sustainable Bio-manufacturing of High-value Phytochemicals

**2-14 December, 2024**

**IIT Madras**

### Course Information

The intended audience includes researchers, industry professionals, students (B.Tech/M.Sc/M.Tech/PhD) in Plant Biotechnology, Biochemical/Bioprocess Engineering, and Biotechnology as well as faculty from recognized academic and technical institutions. Number of participants for the course will be limited to thirty. For more information and detailed insights, visit: <https://shorturl.at/23b9H>

### Course Fees

Participants from abroad: US \$ 500

Students: INR 2000

Faculty: INR 3000

Industry / Research Organizations: INR 5000

Government Organizations: INR 3000

The above fee includes all instructional materials, assignments, and laboratory visits.

### Important Dates

Registration Opens: 01-09-2024

Registration Closes: 22-11-2024

### Course Instructors

**Dr. Nathalie Giglioli-Guivarc'h**  
Professor and Director  
Biomolecules and Plant  
Biotechnologies Laboratory  
The University of Tours, France

**Dr. Smita Srivastava**  
Professor  
Department of Biotechnology and  
Faculty-in-Charge of IITM  
Bioincubator at Research Park  
IIT Madras, Chennai, India

### Accommodation

The participants can be provided with hostel accommodation, subject to availability, on payment basis. Request for hostel accommodation can be submitted through the link: <http://hosteldine.iitm.ac.in/iitmhostel/>

### Registration
