

**Provisional List for Regular MS/Direct PhD/PhD programs by the BT Dept Admissions
Committee 2021**

This is only a provisional list based on the recommendations made by the BT Dept Admissions Committee and the final offers will be made by the Institute Academic Section subject to vacancies and the fulfillment of other Institute-criteria for admissions. We expect the final offers to be made by the first week of July 2021. Note that the list is not in order of any ranking. Note that the candidates selected and offered admission in each stream can only choose projects available in that stream provided at the time of interviews.
